At one with both nature and the local agricultural environment, Wapa di Ume Resort & Spa is a luxury resort located just a short five-minute drive from the centre of Ubud. With working rice fields as its natural centrepiece, every aspect of Wapa di Ume oozes class and sophistication. The accommodation has been created to combine traditional Balinese aesthetics with modern style and comfort; a feat achieved by using local stone, folk-woven fabrics, bamboo and naturally weathered woods. The design theme extends throughout the property, including the tiered swimming

pools, restaurants, spa and the traditional amphitheatre where guests can be enthralled by dance performances by local children. Wapa's Restaurant serves a combination of Asian and western classics, while Mr. Wayan, Balinese Cuisine is the resort's flagship eatery, offering a truly authentic Balinese dining experience. The three-storey Ume Spa offers traditional treatments conducted by professionally trained therapists. The spa has a whirlpool, a beauty centre and two private massage rooms and only uses natural oils, indigenous herbs and spices and an exotic blend of perfumes.

Visitors to the park have the rare opportunity to get up close and personal to hand feed, wash, bathe, ride and learn all about these amazing creatures, all while giving the healthy herd a comfortable and safe environment to call home.
